

# First Annual TiE DC Capital ELITE Awards: Nomination Form

The TiE DC Capital ELITE Awards recognize Excellence in Leadership, Innovation, Technology & Entrepreneurship. This year, TiE DC will honor up to three government and three industry executives that epitomize the virtues of this award. An independent jury will evaluate and rank each nomination, so TiE DC can duly recognize the achievements of executives in the government and government contracting community that have made a significant impact to the industry in the last 12 months. Note that the jury will remain undisclosed throughout the deliberations process.

Your complete nomination form is key to this process. Please focus on the impact this individual attained and include as much quantitative and qualitative metrics as you can.

Provide the following information in its entirety, for the nominee to be considered for an award. We encourage self nominations!

You may provide details for as many of the attributes as apply (minimum 1, maximum 4), as awards will be made based on the comprehensive impact across all these factors. For each one, please qualify your choice in maximum 250 words, with examples:

**Leadership:**

Capital ELITE is a steadfast champion of their team. When funding was in danger of being canceled due to Covid, they made a case to work more efficiently, using fewer resources and allocating responsibilities in an effective manner across members.

---

**Innovation:**

Capital ELITE implemented a new SaaS model to cut agency expenses by 1/3 while improving outcomes for project X.

---

**Technology**

In a shift from traditional agency practices, ELITE was quick to adopt AI in their digital transformation plan, resulting in early delivery of the project.

---

**Entrepreneurship:**

ELITE reorganized their division by function, rather than experience or skillset, thereby improving team communication and process flow.
